

CAPABILITY STATEMENT

Company Data

We use our niche specialties in A.I. and Custom Programming to create solutions.

We are a small business serving an international client base from our offices located in East Tennessee.

CAGE Code: 9AUV2

UEI: XS7MFN5TXE98

DUNS: 003428280

NAICS Codes:

541715 - Artificial Intelligence

541511 - Custom Computer Programming

Computer program, app, or software development

Software analysis and design

541512 - Computer Software Consulting Services

541513 - Computer Facilities Management

541519 - Software Installation Services
